

2018 FULL STEAM AHEAD! CAREERS SCHOLARSHIP

A free scholarship initiative for secondary school students involving a camp and work placement.

INVITATION

Back by popular demand, New Holland and Food and Fibre Education SA invites students in Year 10 to 12 to discover the world of agriculture and technology in South Australia by applying for our Full STEAM ahead scholarship. The theme of the camp is 'STEAM' - science, technology, engineering, agriculture and maths.

THE CAMP

Running over four days, the camp will visit a range of metropolitan and regional areas showcasing different careers and opportunities in food

production, plant science, livestock nutrition and animal genetics, agricultural science, agricultural engineering and food science.

Meet potential employers, network with South Australian research scientists and industry experts, explore over 50 different careers and see which one suits you!

THE PLACEMENT

Following the camp you will get the opportunity to complete a week long work placement at a food and fibre based organisation.

Here you will try your hand at being a researcher, consultant or producer gaining valuable career networks and experience.

ABOUT THE SCHOLARSHIP CAMP

Monday 16 to Thursday 19 April 2018

Meet industry experts and potential employers

WHERE:

The camp will take students on a tour through exciting research organisations, educational institutions and agricultural businesses in Adelaide, the Adelaide Hills, the Adelaide Plains, Outer Harbour, the Mid-north and the Barossa Valley.

Learn about careers in food, fibre and agriculture

WHO:

Anyone in years 10 – 12 can apply! If you like science, are curious about where your food comes from or are considering a career in the industry we encourage you to apply.

COST:

FREE for 20 students only. Students will be assessed on their application.

SUPERVISION:

Students will be supervised by the Education Staff from the Food and Fibre Education SA team and a representative from the Agricultural Teachers Association of South Australia. All staff have had the required police checks and are skilled educators.

CAMP INCLUDES:

- Four day industry camp from 16-19 of April
- All meals, accommodation and transport
- Site visits

See science, technology and innovation in action

HOW TO APPLY:

To apply simply complete the application form and return it to Rebekah on the details provided.

RSVP:

Applications close on Friday 6 April 2018.

WEEK PLACEMENT

During the school holidays in 2018

WHAT:

Students are given the opportunity to complete a week long work placement - it's work experience but with no photocopying in sight! Students will learn about different jobs and gain first hand experience.

A great addition to your resume

WHERE:

Placement can be anywhere within South Australia, from animal nutrition to on farm production and food product development.

Selection of placement will be down to the students preferences and interests.

Note: We need to work with your school to ensure the correct insurance is in place.
