

FOOD & FIBRE EDUCATION SA

2018 TEACHER PROFESSIONAL DEVELOPMENT EVENT

Thursday 22 and Friday 23 of March 2018

Food and Fibre Education SA invites all teachers to attend a two day professional development workshop and tour to discover the range of careers and opportunities in science, food and fibre and agricultural based industries.

Covering horticulture, broad-acre agriculture, science and innovation, livestock, animal nutrition and food production, the professional development workshop provides an insight into the learning pathways required for a career in the industry, gives new ideas for teaching science and agricultural science in context, and gives new ideas for real world learning in the classroom. The workshop will build your networks with science and industry and provide you with new contacts for student work placements. It also showcases the entry requirements to study science or agricultural science at the University of Adelaide.

INCLUDES:

Careers in agriculture workshops with:

- The University of Adelaide
- Regional Skills Training
- TafeSA

Site visits to:

- Lenswood Apples
- The University of Adelaide Waite Campus
- Udder Delights
- Pasture Genetics
- AGT
- Coopers Brewery
- The University of Adelaide Roseworthy Campus

WHO:

- Teachers of science, nutrition, biology, chemistry, geography, PLP and agriculture
- School based career counsellors or VET coordinators

COST:

\$200 per person. Register NOW with places limited to the first 20 registrations. Cost includes catering, transport and a resource gift bag.

WHEN:

Thursday 22 and Friday 23 March, 2018.

Register at www.agcommunicators.com.au
